Subject: RE: SH Bell Level II Data Update

Rachel,

Could we get an updated diagram with the most recent data, Sam is briefing the Director tomorrow. Thanks

Subject: SH Bell Level II Data Update

Good afternoon!

Attached is the most up-to-date level II spreadsheet. No more manganese, some more high lead (14,000). Give me a call if you have any questions!

As of now, I have sampling lined up for Thursday next week. I'll send over the list of houses and phone numbers for residents.

Thanks!
